

Nommer et relier les différentes émotions à la situation qui correspond

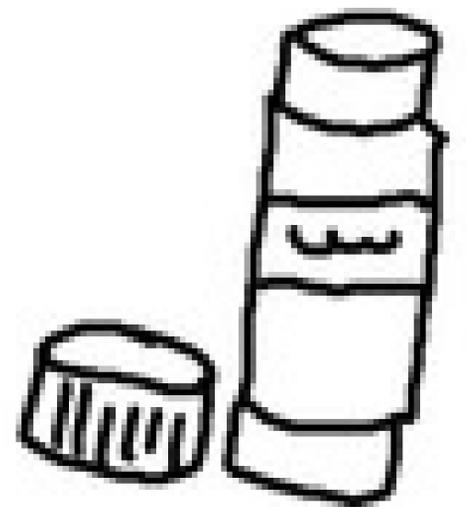

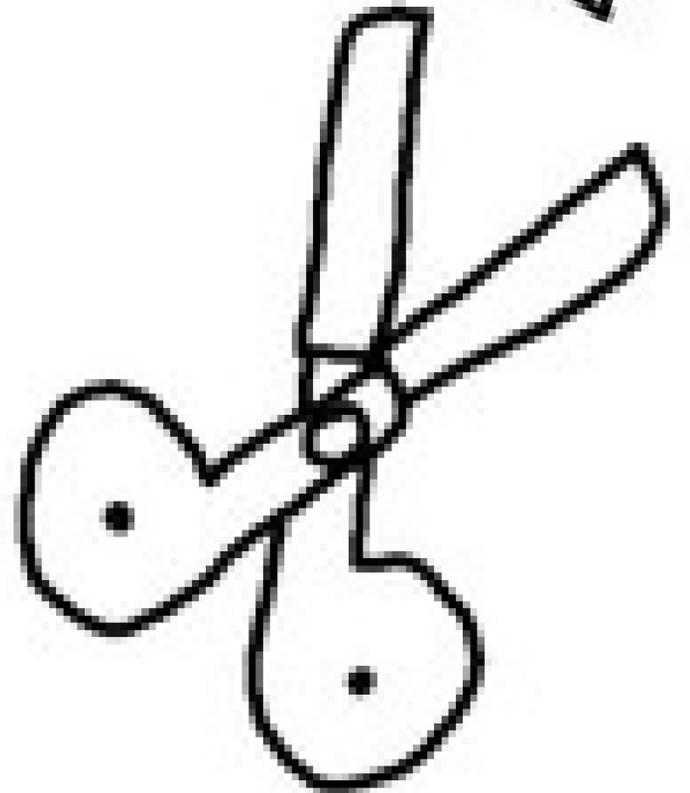

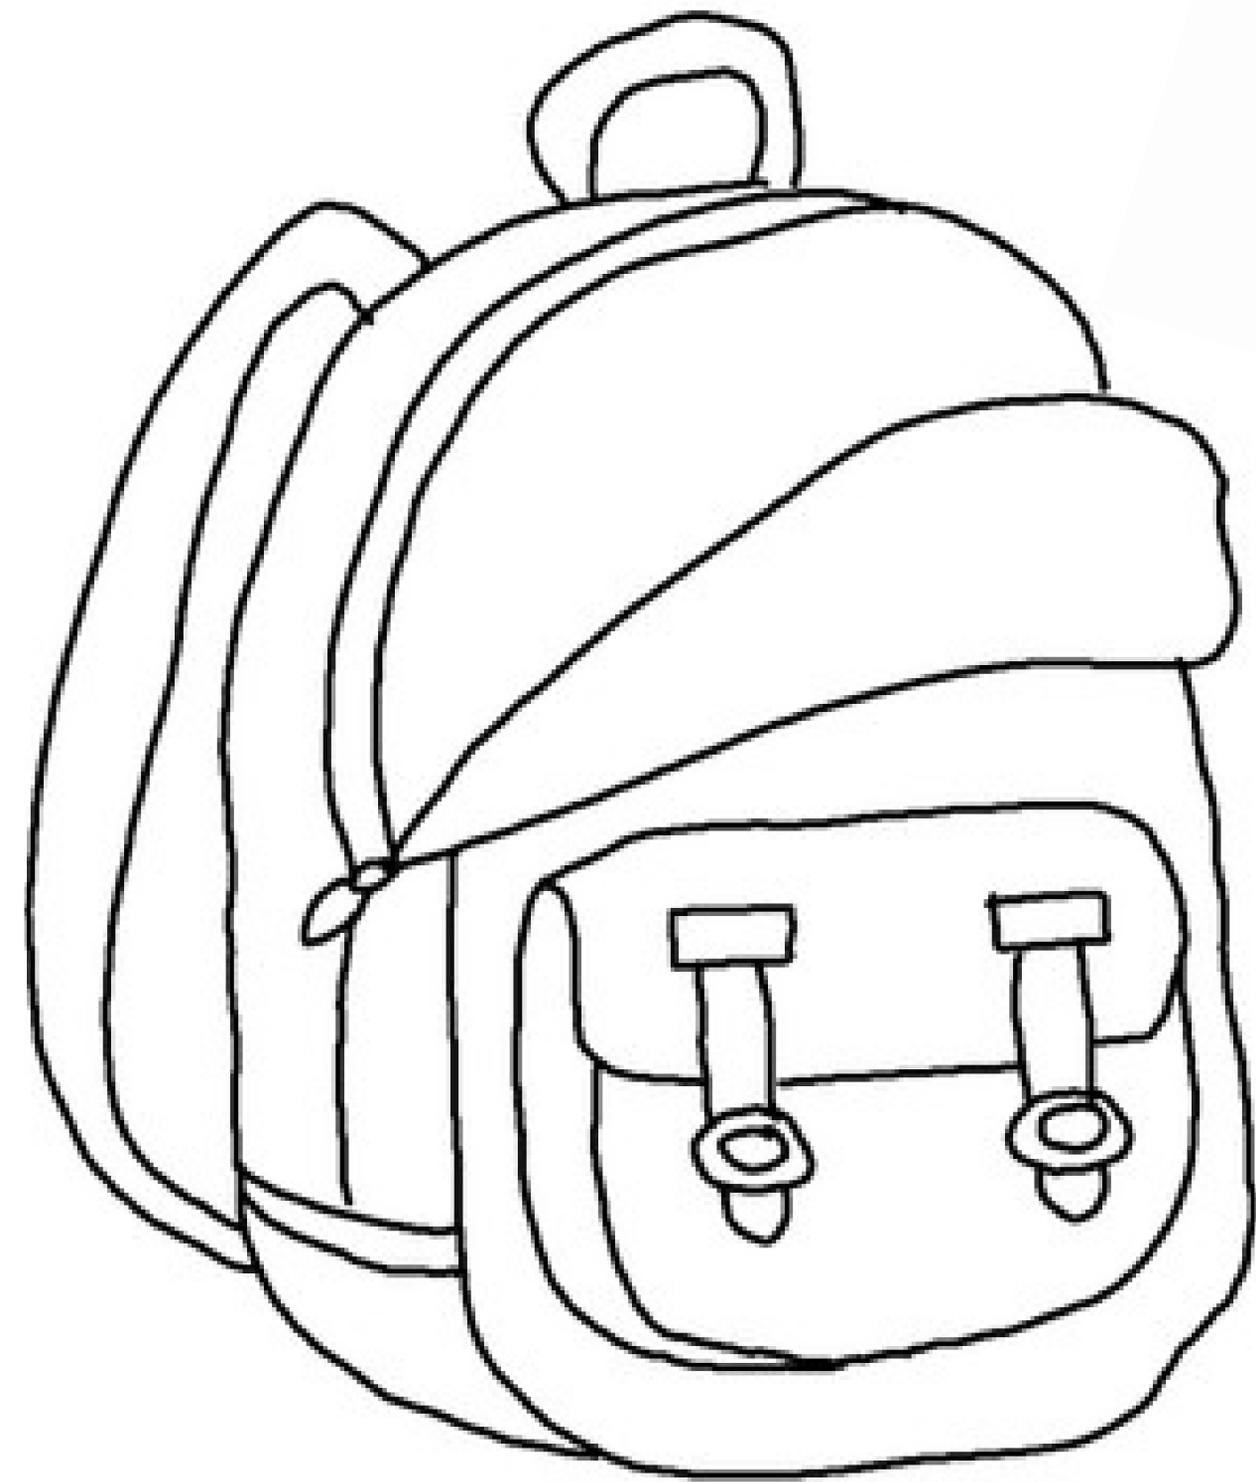

On lance un dé et on avance d'autant de cases que le chiffre indiqué par le dé. Si on tombe sur une case où se trouve le bas d'une échelle, on grimpe jusqu'en haut de l'échelle. Si on tombe sur une case où se trouve la gueule d'un serpent, on descend jusqu'à l'extrémité de sa queue.

Découper le coin coin, et le plier selon les étapes suivantes. Vous pouvez ensuite jouer avec votre enfant et imiter les différents animaux :

Entraîne-toi à préparer ton sac d'école! Découpe les différents objets et colle-les dans ton sac!
